#### 2+3 Years Extended Warranty

Terms and Conditions for Using the Extended Warranty  
(The following conditions apply)

1. The purchase date must fall within the promotional period as stated on the proof of purchase (invoice or receipt). The proof of purchase must be presented when submitting a warranty claim.
2. The product listed on the proof of purchase must be included in the list of eligible models specified in the Extended Warranty Certificate.
3. We provide an additional extended warranty of +3 years, depending on the specific model indicated in the certificate. Therefore, the total warranty period is extended to 5 years.
4. Warranty service will be provided only after an authorized service partner or retailer confirms hardware defects that occurred during normal use in accordance with the instructions in the user manual and installation guide. The warranty does not cover products with visible damage caused by external impact, broken screens, or damaged accessories.
